

## SECTION 13

### HONEY

**The Provost George Wilson Trophy for most points in this section**

**The Burgh of Banchory Trophy for Best Exhibit Class 175**

**Class Number**  
**of articles**

170	2	1lb jars of liquid light honey
171	2	1lb jars of liquid medium or dark honey
172	2	1lb jars of set honey, either naturally granulated or soft set
173	1	Shallow or standard frame of honey
174	1	Cake of beeswax – weight not less than 8oz
175	3	Beeswax candles to be displayed vertically. One candle may be lit by the judge.

#### **RULES**

1. The Show Co-ordinator will issue class number labels for all exhibits – no other identifying marks may be placed on exhibits.
2. Jars used in all classes will be BSI specification 454g (1lb) squat with commercial lids.
3. All frames must be secured in a closed case. If cases are not fully bee-proof the entry will not be accepted.
4. All honey and wax exhibited must be bona fide produce of the exhibitor's own bees. This rule does not apply to rolled candles made with beeswax foundation.
5. Beeswax to be displayed on disposable paper plates which will be provided.
